

# miffy

Miffy is an adorable little bunny. She was originally created by Dick Bruna in 1955 to entertain his son on a rainy holiday. 70 years later Miffy has become a global icon and one of the most popular rabbits on the planet. Miffy is about the belief that childhood doesn't have to end and was created for children and also for the child in all of us.

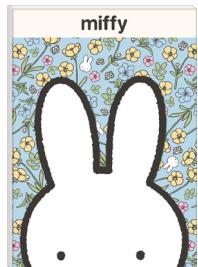

Our collection of beautiful floral stationery, bags, hydration and gifts will appeal to fans of all ages.
